ORDER

On November 19, 2018, plaintiff in the above-captioned case filed an unopposed motion seeking to enlarge the deadline for potential claimants to opt in to the class to January 18, 2019. Plaintiff represents that certain potential claimants found it difficult to submit their opt-in claim forms online, and that the additional time is necessary to allow its claims administrator “to issue an additional mailing with claim forms to provide an opportunity for those who have not filed claims to utilize the US mail for claim filing.” The court **GRANTS** plaintiff’s unopposed motion. The opt-in period shall close on **Friday, January 18, 2019, at 11:59 p.m. (EST)**. In addition, the parties shall file a joint status report suggesting a schedule for further proceedings **no later than Friday, February 1, 2019**.

IT IS SO ORDERED.
